The  
Norfolk Mead  
Hotel

## Welcome to the Norfolk Mead Hotel

Welcome to the Norfolk Mead Hotel situated in over an acre of lovingly kept private grounds in the heart of the beautiful Norfolk countryside on the banks of the river Bure.

Our background is in the hospitality industry having met when both working for McClaren on the formula 1 circuit ten years ago. Our dream was to own our own hotel and the Norfolk mead is the realisation of that dream.

Having catered for private and corporate businesses we have built up an enviable reputation with clients around the UK and overseas and look to offer that same welcome and professionalism to our guests at the Norfolk Mead.

## The Garden Room

Our fully equipped self contained Wedding venue was completed in April 2014. With capacity to seat 120 guests and it's stunning location in the secret garden it perfectly complements the hotel and gives you the whole package for all elements of your day.

Located in the walled garden the venue has a private bar and kitchen. The Norfolk Mead holds a wedding Licence, so we can host your civil ceremony in our beautiful grounds.

## Weddings

The Norfolk Mead is the perfect venue for your wedding, whether it's an intimate reception in our main Dining Room for up to 40 guests, or in the Garden Room up to 120 guests seated and 220 standing.

We can cater for any style event from a 3 courses wedding breakfast to a canape party with champagne. Any quotation will be individually tailored to your needs and requirements for your day.

## Accommodation

We have 11 rooms in the main hotel with additional accommodation at the Sweet Chestnut Cottage and the Crab Apple Summer House, so whether you want just our luxury bridal suite, or exclusive use of the whole hotel to sleep up to 30 guests, we can accommodate you.

## Home from Home

If you are looking for a hotel which provides and intimate, warm and friendly welcome, where the relaxed, cosy atmosphere will ensure your stay will be an enjoyable one, then look no further
