The Norfolk Mead is the picturesque Country house venue for your wedding. The fully refurbished 1740's Georgian manor house has perfectly combined the most ornate of its original features with modern décor and accessories, making stunning photo opportunities in every corner. The Hotel is situated on the River Bure in the pretty village of Coltishall, just fifteen minutes from the Norwich International Airport. Our location boasts eight acres of grounds with woodlands, landscaped gardens with rivers and even private mooring, and the beautiful building itself makes a spectacular backdrop centrepiece.

Our dedicated team will be on hand throughout your day, ensuring every detail is exactly as you imagined. We will also guarantee that we will only host your wedding on your day.

Executive Chef Damien Woollard will work with you individually to create your perfect menu, from exquisite canapés to an elaborate three course breakfast.

We are fully licensed for civil ceremonies seven days a week, and can offer various locations for your ceremony, depending on the number of guests and style of your day.

We can organise everything, so you can be as involved as you like, ensuring all your preparations and the day itself are completely stress free. We use all local services from flowers to hair and makeup, and can even provide the complete pamper package for your hen do / wedding morning.

James and Anna, the owners of the Hotel, come from a catering background and after travelling the world and catering for national and international clientele in Dubai and southern France, they decided on their next venture in the hotel industry. They both love food and are masters in knowing just what to do with it, coupled with providing a bespoke service for all occasions.

The Garden Room

Our fully equipped self-contained wedding venue was completed in April 2014. With capacity to seat 140 guests and its stunning location in our secret Walled Garden, it perfectly complements the Hotel and gives you the whole package for all elements of your day.

The hire of this venue will be £2,500.00 per day (9am – Midnight)

The Norfolk Mead holds a wedding license, so we can host your civil ceremony in both the Hotel (Georgian Room) and Garden Room.

Wedding Ceremony @ £500.00

Accommodation and Hotel Tariff

We have 16 rooms within the hotel grounds, so whether you want just our luxury bridal suite for your wedding night, or exclusive use of the whole Hotel to sleep up to 42 guests, we can accommodate you.
