CORPORATE

The Norfolk Mead Hotel provides the perfect venue for business meetings, interviews, team building or departmental presentations.

For smaller meetings, receptions, dinners or events we recommend the Georgian Room or Dining Room; whilst our Garden Room Venue within our private walled garden can comfortably accommodate 140 seated or 250 standing guests.

Our innovative fine dining restaurant has two AA rosettes and we source all our high-quality ingredients from local farmers and producers.

Delegates can use the eight acres of land for team building days or a beautiful walk along the river or even make use of our hotel boat. The Norfolk Mead also has ample free parking.

Meetings and Presentations

We have the space, ambience and corporate experience to host your client meetings, team and departmental training or team building. We can also complement your event with lunch or dinner in our private dining room.

Once the day's business has been concluded, corporate guests staying with us can relax and unwind in the hotel grounds or venture out to explore the picturesque scenery, walks and activities in the local area.

Whatever your budget or requirements, we have the experience and facilities to meet your needs.

Team Building

Our private riverside grounds are the perfect venue for some fantastic team building events, from Archery to Paddleboarding, there are plenty of options. Guests can even hire our six seater English Harbour Yacht to explore the Broads National Park.

Working with our partner Pathfinder Performance, we specialise in combining team development and motivation workshops with energising tasks and activities.

Please give our events team a call on 01603 737 531, and we can put a package together to suit your needs.
