Welcome to The Norfolk Mead

On behalf of us all at The Norfolk Mead we would like to congratulate you on your engagement.

AA Four Star Silver Country House Hotel
The Norfolk Mead is the picturesque, luxury country house venue for your wedding. Our fully refurbished Georgian manor house, built in 1740, perfectly combines the most ornate of our original features with modern decor and accessories, providing stunning photo opportunities at every corner.

We are situated on the River Bure in the pretty Broads National Park village of Coltishall, just fifteen minutes from Norwich. Our location boasts eight acres of private grounds with woodlands, landscaped gardens leading up to the

river, and even a private mooring. The beautiful building itself makes a spectacular backdrop centrepiece.

Our positive, pro-active and friendly team will be on hand throughout your day, ensuring every detail is exactly as you imagined. Our relaxed luxury approach makes every guest feel welcome, cherished and special. We guarantee that we will only host your wedding on your day.

The Norfolk Mead is independently owned by Anna and James, who both come from a catering background and first met when they were working for McLaren on the Formula 1 circuit over 20 years ago. Their expertise in catering means they have built up an enviable reputation with clients around the UK and overseas.

"I had my wedding at the Norfolk Mead this year and I feel so lucky to have had it at such a gorgeous venue. We are both genuinely lost for words when it comes to describing our wedding day – it was beyond wonderful and so we can't thank everyone there enough. Everyone working at the Norfolk Mead made it all so easy for us to enjoy the day without worrying about a thing. We've had countless comments from guests telling us how much they enjoyed it, how relaxed it all felt, how gorgeous the venue and the rooms are, and also how friendly and warm all the staff are. The food is also unbelievably tasty!"

From start to finish the communication filled us with confidence and we knew that it was the right choice to get married there. Food was incredible!!!! All of our guests commented on this and the friendly nature of the staff. The venue was beautiful and very well maintained. The Norfolk Mead worked well with all of our suppliers and took the stresses away from us. We really can't recommend them enough!!"

"We had an absolutely amazing experience on Friday at our wedding with you guys. From the very beginning when we first booked with you 18 months ago, to the night before and the day of, everyone was absolutely spectacular! Literally could not be happier, nothing was too much trouble for anyone and our guests all said the same thing, it was the tiny details including slight adjustments to the food to allow all our guests to thoroughly enjoy their experience. Thanks so much again guys, we really appreciate it!"
